

Innovation Day: The Tong Prototype Prize and The Schoofs Prize for Creativity

The team leader must complete and attach this COVER SHEET to the front of the team's entry.

Project Number (office use only): _____

Check box if prototype will be submitted at time of judging.

Check box if you have applied for a patent on this invention (You must include a copy of the patent application with your entry.)

Title of Invention: _____

Name of Team Leader: _____

Campus Address: _____

City, State, Zip: _____

Phone: _____

E-mail: _____

Classification: _____

Team Members (Please print the names and e-mail addresses of all team members on the back of this form.)

PATENT CLASSIFICATION:

Please check one of the following to classify your invention.

Utility Patent—An invention of a new and useful process, machine, manufacture or composition of matter or a new and useful improvement.

Design Patent—A new, original and ornamental design for an article of manufacture.

Plant Patent—A new and distinct, invented or discovered asexually reproduced plant including cultivated spores, mutants, hybrids and newly found seedlings other than a tuber-propagated plant found in an uncultivated state.

I/we have read and understand all rules. The idea I/we submit is original and my/our own and (in the case of teams) is equally shared by all members of the team. I/we have attended all required seminars or watched them on tape. I/we are full-time students or have been granted exemptions by the **competition administrator.**
