To Whom It May Concern:

I give the Registrar's Office of the University of Wisconsin-Madison permission to release my official transcript to the College of Engineering International Office, Room M1002A Engineering Center Building.

I understand that once the grades are posted for the semester(s) in question, the UW-Madison College of Engineering will forward my official transcript to my home university.

Furthermore, if there are any holds on my academic record that prohibit the release of my transcript, it is my responsibility to clear the holds before leaving Madison. (Holds can be checked through "My UW".)

If necessary, I can be contacted at the following e-mail address after the end of the current term:
